A workshop for women, presented by Amina Linda McMakin
In the tradition of the Dances of Universal Peace

St. Mary Magdalene's Day is celebrated on July 22, beginning a summer cycle of feminine holidays going into early September. You are invited to join us for our **2nd annual women's workshop** as we deepen with the Contemplative Magdala through the "**Magdalene Sesshin**." In this Zen-based practice, we will integrate the active experience of the Mary Magdalene cycle of dances with the stillness of silent meditation.

This workshop offers an opportunity to join in the energy of Mary's annual feast day with **holy women** all over the world to reach a deeper awareness of Mary's story – a story whose time has finally come!

Workshop activities include: Sacred dances and walks inspired by Mary Magdalene; Mary's Standing Stones Ritual; teachings and stories of Mary's path of devotion; guided and walking meditations; free time for journaling and silence; the Magdala Market (vendors welcome)
....and more – to be revealed!

Pre-registration requested by July 1. Complete details on registration form.

(A limited number of work scholarships may be available by previous arrangement.)

Workshop begins at 7:00 p.m. Friday and ends at 9:00 p.m. Saturday.

Sunday Dance Leader Training – 9:30 a.m.-5:00 p.m.

(Morning session – 9:30-12 p.m. optional for non-dance leaders)
