

# ★ Dancing with Mary Magdalene ★

SATURDAY, JULY 23, 2010

SAFE HAVEN CENTER

PELZER, SC

10:00 A.M.— 9:00 P.M.

*St. Mary Magdalene's Day* is celebrated annually on July 22, beginning a summer cycle of feminine holidays going into early September. Join us for our 3rd annual women's workshop as we deepen with the Contemplative Magdala through the "Magdalene Sesshin." In this Zen-based practice, we will integrate the active experience of the Mary Magdalene cycle of dances with the stillness of silent meditation. **We offer the opportunity** to join in the energy of Mary's annual feast day with holy women all over the world to reach a deeper awareness of Mary's story – a story whose time has come!

## **Workshop activities include:**

*Mary's Standing Stones Ritual*

*Mary Magdalene Dances*

*Labyrinth walks*

*Magdala Market*

*Candle Lighting Service honoring the Great Mother*

*... ..and more – to be revealed!*

**Registration fee: \$50; pre-registration requested**
